### NEW ENGLAND MEMBERS' SHOW

June 15, 2018 to August 5, 2018

Reception: Saturday, June 23, 2018, 4-6 PM

#### THEME

This exhibit is meant as a thematic exploration of what gives America's northeast corner its identity, as seen through the eyes of the artists strongly connected to this beautiful part of our country. At the heart of New England's strong regional character are its people, places, food, flora and fauna. Through the depiction of iconic images, this exhibition will present a visual montage of the vast variety that somehow melds together to create that sense of belonging in New England. Subject matter may range from depictions of the rugged and beautiful landscapes and coastlines found here, to works showing its people at work and at play. Other potential subjects are interpretations of the many and varied culinary delights available in the six state area or its wonderful variety of native animals and plants. Abstract and expressionist interpretations of the exhibit theme are also welcomed.

The pronouncement "I'm from New England" is likely to evoke a assortment of images – lobsters and lighthouses, Red Sox and Bruins, Green Mountains and White Mountains prep schools and Patriots, coastlines and covered bridges, small town scenes and mil cities, beaches and barns, birds and animals. These types of subjects have inspired generations of artists and writers.

Art in 2D or 3D mediums will be considered for acceptance.
